FOREWORD

Al Fuadiy : Journal of Islamic Family Law P-ISSN: 2964-6480, E-ISSN: 2961-7308 publishes scholarly articles and reviews on the discourse of Islamic and Comparative law in Muslim Societies. The material presented includes textual studies and field studies with multiple perspectives on Islamic Family Law, Islamic discourse, gender, (legal drafting) Islamic Civil Law, Islamic inheritance law, Islamic criminal law and waqf. The Journal available online and published twice a year (June and December) by the Islamic Family Law Study Program STIS Nurul Qarnain Jember

Al Fuadiy : Journal of Islamic Family Law publishes the only paper that strictly follows ALFUADIY's guidelines and templates for manuscript preparation. All submitted manuscripts will go through a double-blind peer review process. The paper is read by members of the editor (according to the area of specialization) and will be filtered by the Managing Editor to meet the criteria required for publication of ALFUADIY. Manuscripts will be sent to two reviewers based on their historical experience in reviewing manuscripts or based on their areas of specialization. ALFUADIY has review forms to keep the same item reviewed by two reviewers. Then the editorial board makes a decision on the comments or suggestions of the reviewers.

Reviewers provide an assessment of originality, clarity of presentation, contribution to the field/science. This journal publishes research articles, articles and scientific reviews on Islamic law and comparisons in Muslim societies. The material presented includes textual studies and field studies with multiple perspectives on Islamic Family Law, Islamic discourse, gender, (legal drafting) Islamic Civil Law, Islamic inheritance law, Islamic criminal law and endowments. The article to be published is an original work and has never been published. Incoming articles will be reviewed by a team of reviewers who come from internal and external Nurul Quran Islamic High School. ALFUADIY is published periodically every 4 months, namely in January, May and August.

The Editorial Board also expects scientific articles from readers to be published in Volume 3 No. December 2, 2021 after going through a review process by the Editorial Board and/or Bestari Partners. Starting Volume 3 No. December 2, 2021, the ALFUADIY journal appears with a new environmental style and a new article format for the better. Complete writing guidelines for 2022 are featured on this journal's portal.
